EXTERIOR

LED AWNING LIGHT / RAIN GUARD
Optional integrated rain guard, developed in-house, securely supports the LED lighting.

4 M FIAMMA AWNING
Built-in storage for support legs. Pitch system allows angle adjustment.

SOLAR PANEL
Charging module for everyday power. 800-1,200 W depending on selected options.

ZEUS 560RU

DIGITAL DOOR LOCK
A secure, convenient electronic lock for quick and easy entry from outside.

Seats: 5 | Gross weight: 3,475 kg | Vehicle weight: 3,150 kg
Dimensions (L x W x H): 5,550 x 2,150 x 2,830 mm
Convertible bed: 2,000 x 1,900 mm | Cab-over bed: 2,000 x 1,400 mm

LiFePO4 BATTERY
600 A battery mounted underneath (up to 1,200 A). Supports driving stability and frees up interior space.

REAR TWIN OUTRIGGERS
Heavy-duty diamond-shaped outriggers improve stability while parked.

FULL-WIDTH STORAGE
Rear pass-through compartment: 1,810 x 580 x 620 mm. Ample room for your camping equipment.

Balanced structure and practical exterior features support stable driving and dependable camping.

INTERIOR

VARIABLE LIVING ROOM
Three-sided rounded sofa seats eight comfortably while parked. Warm indirect lighting creates a cozy place to relax.

CONVERTIBLE BED
The lounge converts into a spacious, stable bed. A soft mattress and open feel offer a comfortable night's rest.

FULL HEATING SYSTEM
Korean ondol floor heating

YES RV describes its system as the world's first Korean ondol heating for a camper. Korean floor-heating construction and a German Hi-boiler provide steady, deep warmth.

The source describes this in-house technology as a benchmark for warm camping in Korea.

WIDE SINK / COOLING SYSTEM
Large stainless-steel rectangular sink for a convenient kitchen, with powerful domestic air conditioning.

WIDE CAB-OVER BED
Premium stain-resistant mattress for a comfortable and cozy sleeping space.

ECO-FRIENDLY MATERIALS: in-house furniture uses materials certified by KCL (source claim).

ELECTRICAL SYSTEM
All-in-one control panel brings essential functions together for easy operation.

ELECTRIC BOILER SWITCH (OPTION)
Electric ondol floor heating at the touch of a switch, without diesel fuel.

ZEUS EXCLUSIVE (OPTION)
Freeze protection activates automatically at -3 C; described as an industry first.

230 L REFRIGERATOR
Large domestic refrigerator with tempered-glass shelves and ample storage.

SPACIOUS BATHROOM
1,095 x 815 mm shower room with an in-house molded design for comfort and convenience.

32 mm insulated GRP/AL panels throughout create a warm, comfortable interior.
